Description: Little Linksters GROW program was originally developed in 2008 at a single daycare center in Lake Mary, FL. The idea of introducing children to golf at an age below 8 was and still is not really the norm within the golf community. Golf teaches integrity, honesty, friendship, manners, determination, perseverance, motor skills, and countless other virtues and lessons that any parent would find important. Plus, it's a heck of a lot of FUN!"
